At Garzini, we're proud to be a Certified B Corp™, a recognition of our commitment to sustainability, equality, and ethical practices. This milestone reflects our promise to balance purpose with profit by prioritizing the well-being of our employees, customers, communities, and the planet. It's a step forward in our journey to create a positive impact while staying true to our values of innovation, quality, and responsibility.

WHAT IS A B CORP™?

B Corporations are companies that meet the highest standards of social and environmental performance, transparency, and accountability. Being a B Corp™ means striving for a world where business is a force for good.

OUR STORY

ONCE UPON A TIME IN AUSTRALIA

In 2012, Christophe, the CEO and founder of Garzini, left his job as a consultant and embarked on a life-changing journey to Australia. While exploring as a backpacker, he sought a way to extend his adventure. That's when inspiration struck: a Magic Wallet designed for tourists.

Selling these wallets at local markets, Christophe quickly realized he was onto something special. What began as a small production turned into a remarkable success, fueled by honest feedback from customers. His six-month plan turned into four unforgettable years.

GARZINI WAS BORN

In 2016, Christophe returned to Belgium, determined to refine his initial design. Improving its size, quality, and materials, he launched a premium collection named Garzini. Garzini quickly outgrew its online beginnings. Retailers across the globe were captivated, and the brand expanded into 30+ countries. With warehouses in Belgium and the US, and over 100 unique products, Garzini became a symbol of clever, practical, and premium-quality accessories.

THE STORY CONTINUES

Today, Garzini is not just about creating premium accessories—it's about making a difference. As a certified B Corp™, we've joined a global community of businesses committed to balancing purpose and profit. This certification reflects our dedication to sustainability, ethical practices, and creating a positive impact on the world."

"We continue to innovate by expanding our product range with new designs and sustainable materials, all while staying true to our core values: clever, practical, and premium quality."

"Our mission remains clear: to become a leading sustainable accessory brand for young professionals, entrepreneurs, and daily travelers

POS DISPLAY STANDS
