Bluetooth Headset

Bluetooth Headset

This '80s-style binaural headset looks innocent enough but underneath that cool, retro-orange sponge is the real magic: a Bluetooth transmitter means this is completely wireless, a charging port means you're not going to be buying replacement batteries, and the microphone means you can pair it to your smartphone and either take calls or command your voice assistant... Now that's what we call retro!

Features:

- ▶ Binaural
- ▶ Bluetooth range: 10-15 metres
- ▶ Playtime: 20 hours
- ▶ Standby time: 200 hours
- ▶ Charge via USB connection
- ▶ Charging time: 1-2 hours
