## NEON BOX SIGN

The famous Neon box sign is a Locomocean classic. Bold and fun statement lighting for all interior spaces. Bringing a bit of retro glam. This ever-growing range now has over 80 different variations to choose from so there's a design for every audience. If you can't see what you're after, then you can always do a custom design based on a minimum quantity of 100pcs.

**Hand crafted** - Every neon is handcrafted using the traditional technique of glass bending.

**Authentic Neon colour** - unmatched amazing real glass neon glow.

**Long life and energy efficient** - comes with 12V DC UK/EU power adaptor. Low running wattage of 12-24W. Fully tested and safe, doesn't get hot and comes with a 2-year warranty.

**Quality Materials** - encased in glossy clear acrylic with mirrored backing. Perfect for tabletop mounting.

## GLASS NEON WALL

Our handmade wall neon collection makes the perfect decoration for any wall space in need of some colour. The glass neon is backed with a discreet clear acrylic board with screw hole cut outs provided, to allow for simple wall mounting. Purposefully designed for interior use only and requires a low voltage of power to obtain full glow, so the glass does not get hot to touch.
